

RURAL RESIDENTIAL SUBDIVISION ROMA

CATEGORY	Rural
PROJECT	Rural Residential Subdivision
CLIENT	Walsh Constructions
LOCATION	Roma
PROJECT YEAR	2012

PRECINCT'S ROLE

Precinct Urban Planning was engaged by Walsh Constructions to provide town planning assistance associated with a rural residential subdivision in Roma. The project involved the establishment of fifteen (15) rural residential allotments over three (3) stages and included the development of a new road and extensions to existing infrastructure services.

KEY TASKS

- Provision of Strategic and Statutory Planning Advice
- Development Application Preparation
- IDAS Process Management
- Development Facilitation
