### PRECINCT'S ROLE

Precinct Urban Planning was engaged by The Church of Jesus Christ of Latter-Day Saints to provide town planning assistance associated with the development of a meeting house that could be utilised by parishioners for a range of activities including services, religious teachings and recreational pursuits.

The project involved the construction of a new building with two wings off a main central area including a lobby and courtyard on land in Pimpama Jacobs Well Road, Pimpama. It offered the community a space to engage with parish members as well as meeting spaces for guidance and events.
